GRATITUDE GIVING MAKES IMPACT

CROSSROADS PROPERTY RESCUE DONATES \$20,000 to support the Caring Cottage project and other programs at Mon Health. John Woods, Crossroads Property Rescue owner, presents his most generous donation to Karen Friggens, Vice President of Physician Services at Mon Health.

"Mon Health has been a lifeline for my family. When Allison and I first opened Crossroads Roads Property Rescue, we faced the challenges of limited income, no health insurance, and the excitement of expecting our first child. Thanks to Mon Health, we received exceptional care at a price we could afford, allowing us to focus on building our dreams while ensuring our family's well-being. It feels amazing to be able to give back to an organization that has had such a positive impact in our community and the Woods family!"
